- 12.7 The Buyer acknowledges and agrees that the Company is acting only as agent of the Seller and it is expressly agreed and declared that no personal liability in connection with the Sale of any Lot or otherwise shall fall on the Auctioneer or the Company and the Buyer shall indemnify the Company against all and any liabilities arising under or in connection with the Sale of any Lot. Insolvency practitioner(s), including Administrative Receiver(s), Administrator(s) and Liquidator(s) act as agent(s) for the Seller without personal liability and shall incur no personal liability whatsoever in relation to a Sale or pursuant to any document relating thereto.
- 12.8 The Buyer acknowledges and agrees that the Auctioneer and the Company does not represent any Lot as being in a condition which makes it suitable for domestic use.
- 12.9 The Buyer acknowledges and agrees that the Auctioneer and the Company does not have nor professes to have any expert or other knowledge of any Lots sold.
- 12.10 The Buyer agrees that the Conditions of Sale and the exclusions which they contain are fair and reasonable bearing in mind that:
- 12.10.1 the Buyer must rely absolutely on the Buyer's own opinion and/or professional advice concerning the quality, state, condition, performance and functionality of the Lots which are sold under these Conditions of Sale, their fitness and suitability for any particular or any purpose, the possibility that some or all of them may have defects not apparent on inspection and examination including, without limitation, the presence of contamination and the possibility that the Buyer may not acquire title and the fact that the Buyer may have no or limited remedy under the Conditions of Sale should that happen;
- 12.10.2 the Buyer has available to it skilled professional advice and on that basis agrees to purchase a Lot for a consideration calculated to take into account amongst other things the risk to it represented by the fact that the parties believe that all the exclusions and limitations set out in the Conditions of Sale would be recognised as being fully effective by the courts and the Seller making it clear that it would not have agreed to sell any Lot on any other basis except for a higher consideration;
- 12.10.3 the Buyer has been given every opportunity which might reasonably be expected to examine and inspect the Lots.
13. **Application of the Consumer Rights Act 2015 and the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 – this applies only where the Buyer is a Consumer**
- 13.1 General Condition 13 only applies where the Buyer is a Consumer.
- 13.2 Except to the extent set out in Section 2(6) of the Consumer Rights Act 2015, the Buyer is not a consumer for the purposes of Chapter 2 of the Consumer Rights Act 2015 in relation to a Lot if the goods comprising that Lot are second hand goods sold at Public Auction and the Buyer has the opportunity of attending the sale in person.
- 13.3 The Buyer acknowledges that there are no cancellation rights under the Consumer Contracts Regulations in respect of goods sold at a Public Auction.
- 13.4 If the Consumer Contracts Regulations apply to the Sale, the Buyer may exercise its cancellation rights in terms of the Consumer Contracts Regulations. For more information on how to exercise rights under Consumer Contracts Regulations, the Buyer may refer to the Company's Compliance with Consumer Legislation Policy found at [Sanderson Weatherall Compliance with Consumer Legislation Policy](#).
14. **Variation**
- 14.1 Except as expressly provided in the Conditions of Sale, no amendment or variation of the Conditions of Sale will be effective unless it is in writing and signed by the parties.
15. **Waiver**
- 15.1 No failure or delay by a party to exercise any right or remedy provided under the Conditions of Sale or by law will constitute a waiver of that or any other right or remedy, nor will it preclude or restrict the further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided by law or under the Conditions of Sale will preclude or restrict the further exercise of that or any other right or remedy.
16. **Severance**
- 16.1 If any provision or part-provision of the Conditions of Sale is or becomes invalid, illegal or unenforceable, it will be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision will be deemed deleted. Any modification to or deletion of a provision or part-provision under this condition will not affect the validity of enforceability of the rest of the Conditions of Sale.
17. **Third Party Rights**
- 17.1 The Seller may enforce the Conditions of Sale against the Buyer under the Contracts (Rights of Third Parties) Act 1999. The rights of the parties to rescind or vary the Conditions of Sale are not subject to the consent of any other person.
18. **Entire Agreement**
- 18.1 The parties agree that these General Conditions, the Special Conditions and the Catalogue constitute the entire agreement between them and supersedes all previous drafts agreements, arrangements and understandings between them, whether oral or written. This General Condition shall not apply where the Buyer is a Consumer.
19. **Jurisdiction and Governing Law**
- 19.1 The Conditions of Sale and any dispute or claim arising out of or in connection with the Conditions of Sale or its subject matter or contracts formed under the Conditions of Sale (including non-contractual disputes or claims) will be governed by and construed in accordance with the laws of England and Wales.
- 19.2 Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with the Conditions of Sale or their subject matter or contract formed under the Conditions of Sale (including non-contractual disputes or claim).
- 19.3 However, when the Buyer is acting as a Consumer, the parties agree that if the Buyer is resident in a part of the United Kingdom other than England and Wales, the law of that part of the United Kingdom will apply to the Conditions of Sale and any dispute between the parties arising out of or in connection with the Conditions of Sale (including non-contractual disputes or claims) will be dealt with by the courts located there.
